# INTRODUCTION

Benefit Options, the State of Arizona's comprehensive employee benefits package, is designed with you and your family in mind. The Employee Wellness Program is one of your most important health benefits as a State employee. We want to help you be well today and stay well for life.

The Benefit Options Guide is designed to provide an overview of the Benefit Options Program and the benefits offered through the State of Arizona. The actual benefits available to you and the descriptions of these benefits are governed, in all cases, by the relevant Plan Descriptions and contracts. In the event of discrepancies between this Guide and relevant Plan Description or contracts, including amendments to the contract, plan descriptions shall prevail. The State of Arizona reserves the right to modify, change, revise, amend or terminate these benefit plans at any time.

In this valuable reference guide, we included explanations of the benefits programs, important plan information, contact addresses, phone numbers, web addresses, and comparison charts. This document is no longer just an enrollment guide, it is a resource to use throughout the year for services and benefits provided to you as a State of Arizona employee. In this guide, you will find the information you need to make informed decisions regarding the selection and continued management of your benefits.

## How to Use This Guide

The Benefits Guide is divided into chapters, each covering a specific benefits program or important information. These programs include:

- Employee Wellness
- Pharmacy Benefits
- Vision Plans
- Disability Plans
- COBRA
- Medical Plans
- Dental Plans
- Basic, Supplemental and Dependent Life Insurance
- Flexible Spending Accounts
- Additional Benefits

## New Hires

Newly hired and returning employees must enroll for benefits coverage within 31 days of their date of hire or reinstatement. If you are nearing the end of your 31-day enrollment period and are not able to enroll using the "Your Employee Services" (Y.E.S.) website, contact your agency benefits liaison before the 31-day period has ended. The Standard's Life and STD contracts require enrollment within 30 days.

The effective date for your benefits coverage will be the first pay period following receipt of a properly executed enrollment form and required supporting documentation (provided the request is received within thirty-one (31) days of the date of hire).

# EMPLOYEE WELLNESS

**Being healthy one moment is one thing. Staying healthy over the long run is yet another...**

This is why one of the most important benefits for State employees is the employee Benefit Options Wellness Program. The Wellness Program offers State employees and retirees, and in some instances their families, health education, screenings and more.

The State of Arizona values your health. The Wellness Program's goal is to provide services that assist employees in creating healthy lifestyles, detecting health issues early and managing existing conditions.

In the last year, Wellness Program has provided over 650 worksite classes and screenings with almost 14,000 participants.

The Wellness Program also provided 16,971 influenza vaccinations to employees, retirees and their families in 2006's flu season.

An addition to the Wellness Program this year is the Mayo Clinic Health Risk Assessment and EmbodyHealth Web Portal, which allows employees to become knowledgeable about their health and provides free Mayo Clinic Lifestyle Coaching to help employees make healthy changes. The EmbodyHealth Web Portal [www.bewellstaywell.az.gov](http://www.bewellstaywell.az.gov) has an abundance of tools, resources, and online programs to assist employees in becoming well and staying well.

Wellness services are available at low or no-cost and are provided by contracted professionals who will travel across Arizona providing employees with health education or screening services.

## **The Wellness Program offers:**

- Health education classes focusing on nutrition, stress management, chronic diseases and more
- Weight Watchers at Work – 10-week sessions
- Mini-health Preventative screening (cholesterol, blood pressure, body composition, blood glucose, optional osteoporosis and prostate specific antigen).
- Mobile Onsite Mammography – mammograms at worksites across Arizona. These results are sent directly to your physician.
- Skin cancer screening
- Onsite chair massage
- Annual flu vaccine program beginning in the fall each year

Benefit Options Wellness Program is a request-based program; services are scheduled at worksites where an employee has requested them. Therefore, the Wellness Program relies on State employees to bring Wellness events to their worksites.

To learn how to request a service at your office, or for additional information and a complete listing of services, visit the website at [www.benefitoptions.az.gov/wellness](http://www.benefitoptions.az.gov/wellness) (also available through [www.yes.az.gov](http://www.yes.az.gov))

**Other Wellness Services include:**

- Monthly Newsletter (wellNEWS) – this electronic newsletter is sent via email to Wellness Coordinators in each agency. Each coordinator sends the newsletter to employees within that agency.
- Wellness Program Website – the website provides many online resources, the monthly newsletter, and monthly Wellness events scheduled throughout the state.
- More to come – look for more programs and services coming from the Wellness Program throughout the year by visiting [www.benefitoptions.az.gov/wellness](http://www.benefitoptions.az.gov/wellness).

What employees are saying about the services of the Wellness Program:

Wellness Services – “Thank you so much for your help setting up Wellness events for our agency. The Wellness Program has given us great service and our employees are enjoying the programs that come out of your office.”

Mobile Onsite Mammography (MOM) – “If MOM hadn’t been available at work, I wouldn’t have gotten a mammogram. I don’t want to take time off work to get it done, so it’s nice I could do it right at work and it only took 15 minutes!”

Mini-Health Screening – “I was unaware that my cholesterol and blood pressure were high. This screening was a wake up call for me to see my doctor and starting living a healthier lifestyle. Thank you!”

Skin Cancer Screening – “Had it not been for the cancer screening (and my nagging yet wonderful husband), I could be in some serious trouble now and possibly facing chemotherapy. Thank you, thank you for providing this valuable service to state employees and their families. I urge anyone who even thinks they would like confirmation that the spot on [his/her] arm, leg or wherever, is just a mole or freckle to make an appointment and participate in the screening. It really is worth the time.”

Weight Watchers – “I am so happy that a co-worker asked me to attend. This is great...at work and sharing stories with new friends especially our coach! In the past 6 weeks I’ve lost 10 pounds and feel great! Thanks again, for the support of the state to link with this great program.”

# ELIGIBILITY

State employees regularly scheduled to work 20 hours or more per week for six months or longer (except those listed below as ineligible) and their qualified dependents may participate in the Benefit Options and Flexible Spending Accounts (FSA) plans, provided they comply with the contractual requirements of their selected plans.

## **Ineligible employees:**

- Employees who work fewer than 20 hours per week
- Employees in seasonal, temporary or emergency positions
- Patients or inmates employed in State institutions
- Non-State employee officers and enlisted personnel of the National Guard of Arizona
- Employees in positions established for rehabilitation purposes
- Student and work study employees

## **Eligible dependents**

The following dependents may be enrolled in your benefit plans, however, proper documentation may be required:

- Your legal spouse
- Natural, adopted and/or stepchildren unmarried and under age 19, or under 25 if a full-time student at an accredited educational institution\*
- Minors under the age of 19 for whom the employee-member has court-ordered guardianship
- Foster children under the age of 19
- Children placed in the employee's home by court order pending adoption
- Natural, adopted and/or stepchildren who were disabled prior to age 19

*Please note: If your dependent child is approaching age 19 and is disabled, immediately contact your agency benefit liaison regarding the procedures to continue coverage for this dependent child. You will need to provide verification that your dependent child has a qualifying permanent disability in accordance with Social Security Administration (SSA) guidelines that occurred prior to his or her 19th birthday. Documentation may be required periodically to maintain a dependent on your plan. Disability eligibility and continued coverage will be determined by the plan administrator.*

\* See Plan Description for "full-time student" information.

## **Dependent documentation requirements**

If you are enrolling a spouse or dependent whose last name is different from your own, the dependent's coverage will not be processed until supporting documentation, such as a marriage license (for a spouse), birth certificate, or court order (for dependents), is provided to your agency human resources office. If your dependent is a full-time student over the age of 19, your

insurance carrier will request a copy of the dependent's class schedule. Subsequent verifications may be requested by plan administrators. If there is a delay in locating required documents, please contact your agency human resources office or the ADOA Benefits Office. Coverage will be suspended until all the necessary documents have been received.

### **Qualified Medical Child Support Order (QMCSO)**

If a QMCSO exists, you must elect to continue coverage for your dependent pursuant to the order. You may not terminate coverage for a dependent covered by a QMCSO. If coverage is terminated, coverage will be reinstated retroactive to the date coverage was terminated. You will be responsible for any past due premiums, which will generally be collected through payroll deductions.

### **If You and Your Spouse Are State Employees**

If both you and your spouse are eligible State of Arizona employees, be sure to take into account the coverage that you each can elect. If it is determined there is dual coverage, you will be responsible for coordination of benefits for any claims paid under your dependent status. Health insurance premiums will not be reimbursed to either employee as a result of dual coverage.

# OTHER IMPORTANT INFORMATION

## **ID Cards**

ID cards for your medical, dental and vision plans will arrive separately and are sent directly from the vendor to your home address. Typically, ID cards arrive seven to fourteen business days after your benefits become effective.

- MetLife Dental does not issue ID cards.
- Contact the vendor directly if you do not receive your cards or if you need additional or replacement cards.
- UnitedHealthcare and Avesis allow members to print temporary ID cards from their websites. This may be helpful if you need services before you receive your cards.

## **Pretax Benefits**

When your insurance premiums and contributions to your Flexible Spending Account(s) are made on a pretax basis, your taxable income is reduced. This means you will be paying less state, federal and Social Security (FICA) tax and, as a result, you will have more take home pay.

Federal regulations restrict the enrollment status changes that you can make during the plan year when your monthly insurance premiums are paid on a pretax basis. The only time such changes can be made are:

- Annual Open Enrollment
- Qualified Life Events

## **Pretax benefits include:**

- Medical Premiums
- Dental Premiums
- Vision Premiums
- Supplemental Life Insurance (first \$35,000)
- Flexible Spending Accounts (medical and dependent care)

## **After-Tax Benefits**

Plans paid for with after-tax premiums do not have the same restrictions during the plan year. You can reduce or cancel after-tax plans without a Qualified Life Event. However, midyear enrollment can only occur in conjunction with an appropriate Qualified Life Event, provided the request is made within 31 days of the event.

## **Examples of plans with after-tax premiums are:**

- Short-Term Disability
- That portion of your Life insurance over \$35,000
- Dependent life insurance

## **Changing Your Benefits**

Except for plans with after-tax premiums, you may change your benefit elections only during the year when you experience a Qualified Life Event (QLE). If you have not experienced a QLE, you must wait until the next annual open enrollment period to make benefit changes.

### **Qualified Life Events include but are not limited to:**

- Changes in your marital status: marriage, divorce, legal separation, annulment, death of spouse;
- Changes in dependent status: birth adoption, placement for adoption, death, or dependent eligibility due to age, marriage, student status;
- Changes in employment status or work schedule that affect benefits eligibility for you, your spouse, and/or dependent;
- Changes in residence that result in different available plan options.

\*Refer to the plan description book.

### **Timeframe to Submit a Change Request**

Requested benefit changes must be submitted in writing to your agency benefit liaison within 31 calendar days of the event.

### **Effective Date of the Change**

The effective date for benefit changes resulting from birth, adoption, or placement for adoption is the date of the event. The effective date for benefit changes based on all other QLE's is the first day of the next pay period, following the date the employee submits the requested change, in writing, to his or her agency benefit liaison. Please consult with your agency benefit liaison to determine whether or not the life event you are experiencing qualifies under the regulations. Refer to the plan description booklet.

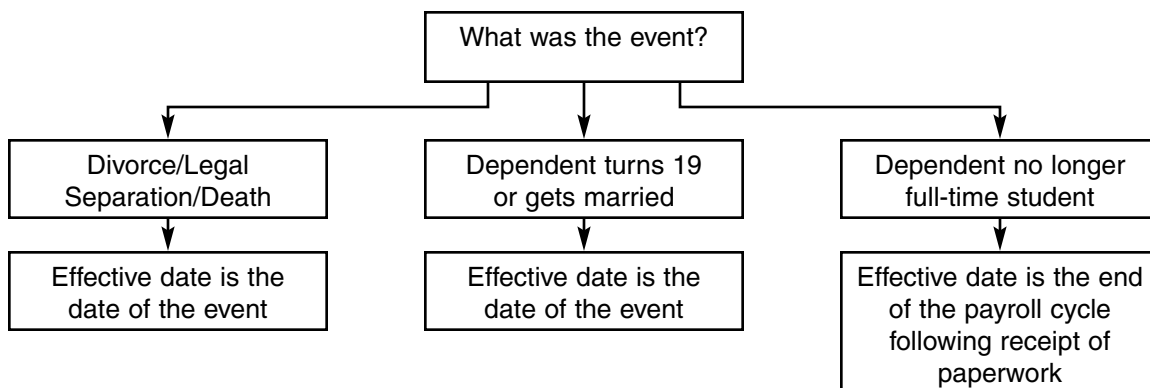

### **Premium Changes Due to QLEs**

Any change in premiums due to a QLE will be in effect the pay period following the receipt of all QLE documentation. According to IRS regulations no previously paid premiums will be refunded.

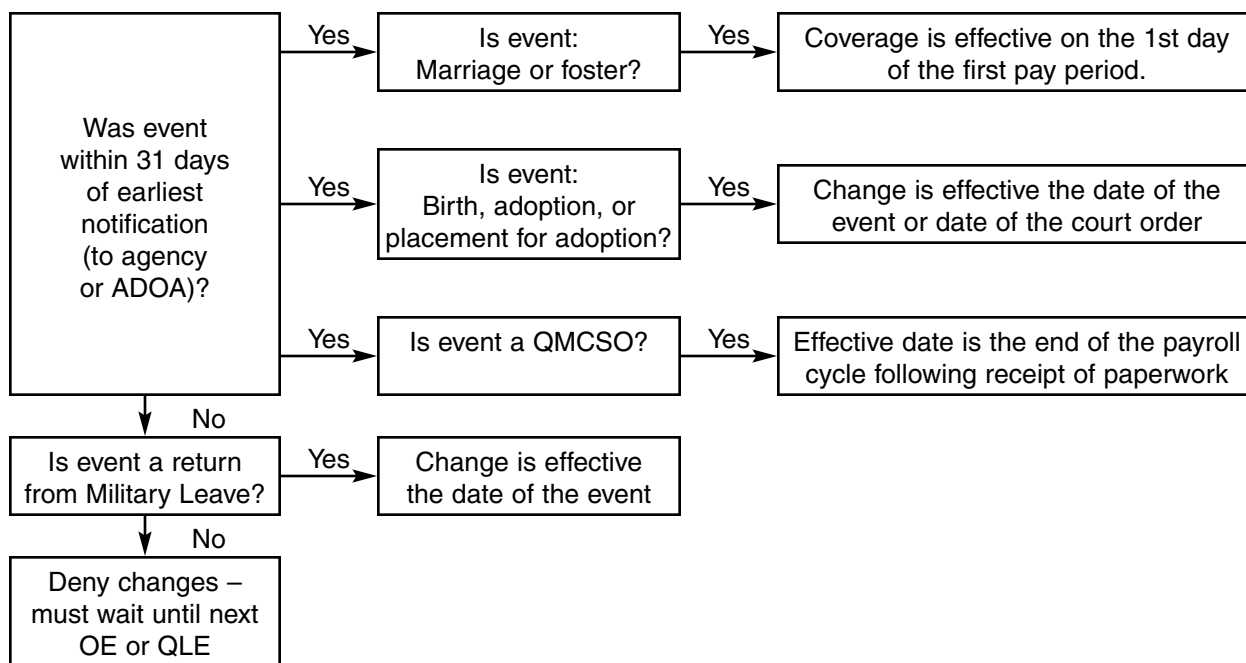

Refer to the following flow charts to determine the effective dates of qualified life events.

### Losing Eligibility

### Gaining Eligibility

**Premium Collection - Leave without Pay**

Premium are collected through payroll deductions for those employees actively-at-work, or by personal payment for an employee on a leave without pay status.

**Military Leave of Absence**

Employees who must leave for military service are provided continued benefits through the Uniformed Services Employment and Reemployment Rights Act (USERRA). USERRA provides extended health care coverage for up to eighteen (18) months. The employee may continue health coverage for a maximum of six (6) months by paying the employee portion of premiums. After the 6-month period, the employee must pay both the employee and State portion of premiums until the employee returns to work or for a maximum of eighteen (18) months.

**Family and Medical Leave Act (FMLA)**

Employees on approved FMLA may continue health care coverage by paying the employee portion of monthly premiums.

**Industrial Injury or Illness**

Employees who are on a leave without pay status due to an industrial injury or illness may continue health coverage for a maximum of six (6) months from the date of injury by paying the employee portion of premiums. After the 6-month period, the employee must pay both the State and employee premiums until the employee returns to work or is determined to be eligible for Medicare or long-term disability, whichever comes first.

**Non-Occupational Leave**

Employees on leave without pay for a health related reason that is not work related may continue health care coverage for a maximum of thirty (30) months by paying both the employee and State portions of monthly premiums until the employee returns to work or is determined to be eligible for Medicare or long-term disability, whichever occurs first.

You may elect to change your coverage level from family to employee+one or single insurance during a leave without pay status; however, you must request this change at the time you enter a leave without pay status. If you are placed on a leave without pay status, please check with your benefit liaison to confirm whether you have enough leave to cover your premiums or if you will need to make personal payments. Failure to pay premiums may result in cancellation of your benefits. The insurance coverage of an individual on leave without pay who fails to pay premiums when due shall terminate at 11:59 p.m. on the first day of the pay period following the pay period covered by the last premium or contribution paid.

# MEDICAL PLAN FEATURES

## **What is a Plan Administrator?**

A Plan Administrator is the contracted organization that processes the medical claims, provides customer service, and runs the day-to-day operations of the health plan:

- If you are enrolled with the Arizona Foundation, Beech Street, RAN+AMN, or Schaller Anderson networks, your plan administrator is Fiserv Health - Harrington Benefit Services.
- If you are enrolled with UnitedHealthcare, your plan administrator is UnitedHealthcare.
- The ADOA Benefits Office is the Plan Sponsor - not the Plan Administrator.

## **I've heard the terms “integrated” and “non-integrated.” What do they mean?**

Integrated and non-integrated describe the way services are provided in each health plan:

- If you are enrolled with Arizona Foundation, Beech Street, RAN+AMN, or Schaller Anderson, you are in the non-integrated plan. This means multiple organizations supply the health plan services:
  - Arizona Foundation, Beech Street, RAN+AMN and Schaller Anderson provide networks of hospitals and medical providers.
  - Fiserv Health - Harrington Benefit Services provides claims payment processes, day-to-day operations, and customer service.
  - Schaller Anderson provides prior authorization, disease management, and medical review services.
- If you are enrolled with the integrated plan, UnitedHealthcare provides the following: hospital and provider networks; payment processes and day-to-day operations; and prior authorization and disease management services.
- Walgreens Health Initiatives (WHI) is a Pharmacy Benefit Manager and provides pharmacy services for both the integrated and non-integrated health plans.

## **What is a Pharmacy Benefit Manager (PBM)?**

A PBM provides the national network of pharmacies; mail-order service; and specialty pharmacy services. A PBM manages pharmacy benefits in the following ways: by providing bulk discounts on medications through the use of a formulary; by reviewing the way medications are used by members; and by implementing targeted programs to reduce overall pharmacy costs. These programs promote the use of cost-effective medications, maximize generic efficiency, and encourage proper utilization. A PBM also works with physicians to review medications prescribed and looks for possible lower cost alternatives.

## **What is an “EPO” plan and how is this different from a “PPO” plan?**

An EPO (Exclusive Provider Organization) is a managed care plan which means you must use providers who are contracted with that health plan. You must pay any copays as indicated. If you are enrolled in an EPO and use a provider who is not contracted with the plan, you will be personally liable for their bill. A PPO plan is a Preferred Provider Organization and allows in-

network and out-of-network treatment. If you obtain out-of-network treatment, you will need to meet a deductible and will pay a percentage of all covered services.

**The State offers “open access” in all of the EPO plans. What does this mean?**

Open access refers to how you “access” physicians. Instead of getting a referral from your Primary Care Physician (PCP) to see a specialist, you may schedule an appointment directly with a specialist of your choosing. The specialist **MUST** be contracted within your network. However, if you wish to obtain specialist referrals through your PCP, you may do so.

**If my PCP refers me to a specialist or medical provider that is NOT within my EPO network, am I responsible for the medical charges?**

Yes. In the EPO plan, all medical services received must be contracted network medical providers.

If your PCP has scheduled an appointment for x-rays, laboratory tests, or specialists, you must make sure they are within your medical network.

If you are enrolled in the PPO plan, you may obtain out-of-network services and pay 30 percent of the covered charges, after you have met your deductible.

**How do I find out what is covered in the health plan?**

Covered benefits are described in a book called a Plan Description. A plan description outlines your health insurance coverage and provides information on how claims payment services that require pre-certification, services that are covered and items that are excluded by the health plan. You will receive a copy of the plan description after the beginning of a new plan year. You may also view these descriptions online at [www.benefitoptions.az.gov](http://www.benefitoptions.az.gov).

**I have been contacted by someone and asked if I want to participate in a disease management program. What is disease management?**

Disease Management is a voluntary service provided through an organization contracted with the State of Arizona, that assists members with treatment needs for chronic conditions. If you are being treated for any of the conditions listed below, you will be contacted by the Disease Management staff with further information on the program. This is a free service to provide you information, assistance, and resources to manage the following conditions:

- Asthma
- Congestive Heart Failure
- Diabetes
- Coronary Artery Disease

**What is perinatal care? What services are available to me if I am pregnant or planning to become pregnant?**

If you become pregnant, you can receive care and education through the Benefit Options Perinatal Program. This program helps future mothers and their newborns get a healthy start even before pregnancy begins. Resources available include:

- Preconception counseling
- Educational materials on common topics
- Screening and health assessment to help identify high risk pregnancies
- Special management of medical care by health professionals for expecting mothers with high risk pregnancies

If you are a member of the Arizona Foundation, Beech Street, RAN+AMN network, or Schaller Anderson, you may call 1.888.999.1459 and ask for Perinatal services through the Schaller Anderson program. If you are a member of UnitedHealthcare, you may call 1.800.896.1067 and ask for information on the UnitedHealthcare pregnancy services.

**What is a network service area?**

A network service area is the region in which your network is offered:

- The Arizona Foundation PPO plan is offered statewide.
- The Beech Street PPO plan is offered to members living outside of Arizona and will be used as a national travel network if you are enrolled with Arizona Foundation, RAN+AMN, or Schaller Anderson.
- The RAN+AMN EPO plan is offered statewide.
- The Schaller Anderson EPO plan is offered statewide.
- The UnitedHealthcare EPO and PPO plans are offered in Maricopa, Gila, Pinal, Pima, and Santa Cruz counties.

**What is coordination of benefits?**

When an employee is covered by more than one health plan or is considered a covered dependent under another plan, benefits are coordinated so that no more than 100 percent of the claim is paid to a medical provider. One plan will be considered primary and the other will be considered secondary. For additional information on how coordination of benefits will be applied, please refer to the appropriate plan description.

**What is Transition of Care?**

If you are a new employee and/or changing from Arizona Foundation, Beech Street, RAN/AMN, or Schaller Anderson to UnitedHealthcare (or from UnitedHealthcare to other state offered coverage) you may continue an active course of treatment with your health care provider and receive in-network benefits during the pre-approved transition period, if one of the following applies:

1. You have a life threatening disease or condition;
2. If you have been receiving care, and a continued course of covered treatment is Medically Necessary, you may be eligible to receive “transitional care” from the non-

Participating Provider;

3. You have entered the third trimester of pregnancy on the effective date of enrollment; or
4. If you are in your second trimester of pregnancy and your doctor agrees to accept our reimbursement rate and to abide by the Plan's policies and procedures and quality assurance requirements.

There may be additional circumstances where continued care by a provider no longer participating in the network will not be available, such as when the provider loses his license to practice or retires. You may obtain a copy of the Transition of Care form at [www.benefitoptions.gov](http://www.benefitoptions.gov).

# HOW TO USE YOUR PHARMACY PLAN

## **Is there a separate enrollment process for the pharmacy benefit?**

If you elect any Benefit Options medical plan, Walgreens Health Initiatives (WHI) will be the network you use for pharmacy benefits. Enrollment is automatic when you enroll in a medical plan, and there is no separate cost.

## **How does the plan work?**

The WHI network consists of more than 62,000 participating chain and independent pharmacies nationwide, with 1,000 member pharmacies in Arizona. All prescriptions must be filled at a network pharmacy or through the mail order service. The cost of prescriptions filled out-of-network will not be reimbursed. To find a pharmacy near your home, work address, out-of-town vacation address, or your dependent student's out-of-state address, refer to [www.mywhi.com](http://www.mywhi.com).

Multilingual customer service representatives are available 24 hours a day, 7 days a week at 1.866.722.2141 to assist you.

The WHI plan has a three-tier formulary; the cost for up to a 30-day supply of medication bought at a retail pharmacy is \$10 for a generic drug, \$20 for a preferred (formulary) drug, and \$40 for a non-preferred (non-formulary) drug. You can find information on WHI's formulary and look up the cost for specific drugs at [www.mywhi.com](http://www.mywhi.com).

The Walgreens Health Initiatives Preferred Medication List (PML), also known as a formulary, is a list of medications that will allow you to maximize the value of your prescription benefit. These medications, chosen by a committee of doctors and pharmacists, are generics and brand names available at a lower co-pay than their more expensive brand-name counterparts. The PML is updated quarterly and as needed throughout the year to add significant new medications as they become available.

Medications that no longer offer the best therapeutic value for the plan are deleted from the PML once a year, and a letter is sent to any member affected by the change. To see what medications are on the PML, log on to [www.mywhi.com](http://www.mywhi.com) or contact the WHI Customer Care Center to have a copy sent to you. Sharing this information with your doctor helps ensure you are getting the medications you need which saves money for you and your plan.

## **What is the "mail order service" and how do I take advantage of it?**

A convenient and less expensive mail order service is available for employees who require medications for on-going health conditions, or who will be in an area with no participating retail pharmacy for an extended period of time. Here are a few guidelines and benefits when using the mail order service:

- You must submit a written 90-day prescription from your physician for any new mail order drug.

- You may request up to a 90-day supply of medication for two co-pays.
- You may fill a 12 month supply of medication with prior authorization.
- You may pay by check or charge your co-pay to a Visa, MasterCard, American Express, or Discover account.
- You may register your email address to receive information on your orders.
- You can order refills online at [www.mywhi.com](http://www.mywhi.com) or via phone at 1.866.722.2125.
- One-on-one consultations with a licensed pharmacist are also available at this number.

### **Clinical Prior Authorization**

Prescriptions for certain medications or circumstances require clinical approval before they can be filled, even with a valid prescription. Prescriptions may be limited to quantity, frequency, dosage, or may have age restrictions. The authorization process may be initiated by you, your local pharmacy, or your physician by calling WHI at 1.877.665.6609, Monday through Friday, 8:00 a.m. to 8:00 p.m.

### **Specialty Pharmacy Program**

Certain medications used for treating chronic or complex health conditions are handled through the Walgreens Specialty Pharmacy. This program assists you with monitoring your medication needs for certain conditions and by providing patient education. The Specialty Pharmacy Program includes monitoring of specific injectable drugs and other therapies requiring complex administration methods, special storage, handling, and delivery. Call Walgreens Specialty Pharmacy at 1.888.782.8443 for further information on this program.

The Specialty Pharmacy program includes but is not limited to the following conditions:

- Cystic Fibrosis
- Multiple Sclerosis
- Rheumatoid Arthritis
- Prostate Cancer
- Endometriosis
- Enzyme Replacement
- Precocious Puberty
- Osteoarthritis
- Viral Hepatitis
- Asthma

Specialty medications are limited to a 30-day supply and may be obtained only at a Walgreens retail pharmacy or via the mail order service. Call WHI at 1.888.782.8443 for further information on this program. Medications for these conditions through the Specialty Pharmacy Program include, but are not limited to:

- Anabolic Steroids – Injectable (Deca-Durabolin<sup>®</sup>, Virilon IM<sup>®</sup>);
- Anabolic Steroids - Oral (Anadrol-50<sup>®</sup>, Android Testred<sup>®</sup>, Oxandrin<sup>®</sup>, Winstrol<sup>®</sup>);
- Anabolic Steroids – Topical (Androderm<sup>®</sup>, Androgel<sup>®</sup>, Testoderm<sup>®</sup>);

**Non-Covered Drugs**

Certain medications are not covered as part of the Benefit Options plan. If you find such a drug has been prescribed for you, discuss an alternative treatment with your doctor.

# HOW TO USE YOUR DENTAL PLAN

Following is a brief description of the dental plans available through Benefit Options. For a complete listing of covered services for each plan, please refer to the plan description located on the website, [www.Benefitoptions.az.gov](http://www.Benefitoptions.az.gov). Occasionally, covered services and supplies are subject to change based on the American Dental Association Guidelines. These changes may also result in a change to your co-payment.

## **What plans are available for me to choose from?**

Employees may choose between two plan types. They are the Prepaid and the Preferred Provider Organization (PPO) plans.

### **Prepaid Plans**

- You must see a Participating Dental Provider (PDP) to provide and coordinate all of your dental care.
- No annual deductible or maximums.
- No claim forms.
- No waiting periods.
- Pre-existing conditions are covered.
- Set co-payments for services provided by your general dentist.

### ***Employers Dental Services (EDS)***

You must choose one dentist for your family from a network of participating dentists. You can change your dentist at any time by contacting EDS or by using the “change my dentist” function on the website [www.mydentalplan.net](http://www.mydentalplan.net). Members can self refer to Specialists within the network. Specialty services are provided at up to a 25% discount off the Specialist’s normal fees. Separate lab fees apply to some services as indicated in the schedule of benefits.

### ***Assurant Employee Benefits***

Each family member can choose a different dentist. You can self refer to a Specialty Benefit Amendment (SBA) Specialist in the Network who accepts a co-pay for most common procedures, listed under the SBA. If a procedure is not listed in the SBA co-pay schedule or the Specialist does not participate in the SBA, you will receive a discount off the Specialist’s normal retail charges. This discount also includes Orthodontic Services.

**Indemnity/PPO Plans**

- You may see ANY licensed dentist anywhere in the world.
- Deductible and/or out-of-pocket payments apply.
- You have a maximum benefit of \$2,000 per person per plan year for dental services.
- There is a maximum lifetime benefit of \$1,500 per person for orthodontia.
- You may need to submit a claim form for eligible expenses to be paid.
- Benefits may be based on reasonable and customary charges.

***Delta Dental***

Over 80 percent of Arizona's licensed dentists participate in the Delta Dental and agree to accept Delta's allowable fee as payment in full after any deductibles and/or co-payments are met. Amounts billed by network providers in excess of the allowable fee will not be billed to the patient. If you choose to see a non-participating dentist, Delta Dental will still provide benefits, although typically at reduced levels.

***MetLife Dental***

MetLife participating dental providers accept negotiated fees as payment in full after your deductibles and co-payments are met. These fees are typically 15 to 30 percent below average rates. Non-covered services provided by a participating dentist are also charged at a lower rate. Covered expenses from a non-participating dentist are paid according to established reasonable and customary charges.

# LIFE INSURANCE BENEFITS

## ***Basic Life Insurance and AD&D***

You are automatically covered for \$15,000 of basic life insurance provided through Standard Insurance Company at no cost to you. The State also pays for an additional \$15,000 of Accidental Death and Dismemberment (AD&D) insurance coverage. A \$15,000 Seat Belt Benefit may also be payable if you die in an automobile accident and are wearing a seat belt. You are automatically covered in these three programs. No enrollment is necessary.

## ***Supplemental Life Insurance and AD&D***

Supplemental life insurance coverage is available to employees who would like additional life insurance beyond what the State provides. Your cost is based on your age as of October 1st (the first day of the plan year). The maximum amount of supplemental life insurance that you can elect through the State's group plan is three times your annual base salary, or \$300,000, whichever is less. Your employee supplemental AD&D coverage is the same as the supplemental life amount that you elect.

When electing or changing supplemental life after your initial enrollment, you may increase or decrease your supplemental life coverage. You may increase in multiples of \$5,000 up to a maximum \$20,000 per year. You may also decrease your coverage in multiples of \$5,000 or cancel your coverage. Supplemental life coverage above \$35,000 is paid on an after-tax basis, and may be cancelled at any time.

In the event of your death, employee life and AD&D benefits are paid to your designated beneficiary. It is important to keep your beneficiary information current. You may change your beneficiary using the web enrollment system during Open Enrollment. Remember: Adding a beneficiary does not automatically delete a previously-designated beneficiary. If you wish to change a previously designated beneficiary, you must actively do so while enrolling via the website.

## ***Dependent Life Insurance***

You may purchase life insurance coverage for your spouse and/or dependents in the amount of \$2,000, \$4,000, \$6,000, \$12,000, or \$15,000. You do not have to elect any Standard Supplemental coverage from The Standard for yourself in order to choose this dependent plan. Each person will be covered for the amount you choose for a small monthly premium. In the event of a claim, you are automatically the beneficiary.

## SHORT-TERM DISABILITY (STD) INSURANCE

If you elect Short Term Disability (STD) insurance and Standard Insurance Company, the insurance carrier determines that, based on a medical opinion, you are unable to work due to illness, pregnancy, or a non-work-related injury, you may receive a weekly Benefit for up to 26 weeks. The amount of the STD Benefits will equal up to 66-2/3% of your predisability income. The weekly minimum Benefit is \$57.69; the weekly maximum Benefit is \$769.27. There are no pre-existing condition limitations. You must meet the actively-at-work provision. Coverage becomes effective on the pay period start date following the agency's receipt of completed forms or successful Y.E.S. use. Benefits become payable on the first day of disability due to an accident or the 31st day of disability due to illness or pregnancy, if coverage was elected during your initial new hire or eligibility enrollment period.

If you previously waived STD coverage and enroll during Open Enrollment or due to a Qualified Life Event, your insurance becomes effective as follows:

- On the following October 1 if you apply during Open Enrollment.
- On the date of the Qualified Life Event for changes resulting from births, adoptions and placements for adoption; or, on the later of (a) the date of the Qualified Life Event, and (b) for any other Qualified Life Event, the pay period date following agency receipt of completed forms.

If you become disabled during the first 12 months of coverage, your Benefits will become payable on the 61st day of disability due to illness or pregnancy.

The Standard STD plan includes a Return to Work incentive provision. See plan information for details on this program.

## LONG-TERM DISABILITY (LTD) INSURANCE

As a benefits-eligible employee, you are automatically enrolled in one of the State's two Long Term Disability (LTD) programs, starting with your first day of work (participation is mandatory). The retirement system to which you contribute determines the LTD program available to you. Refer to the list below for the name of your LTD program:

**Arizona State Retirement System (ASRS):** Sedgwick, CMS (formerly VPA, Inc.) is administered through ASRS. Your LTD benefit will pay up to 66-2/3% of your monthly income during your disability as determined by Sedgwick, CMS and based on supporting medical documentation. Your benefits may be subject to an offset based on Social Security payments, retirement benefits and other disability benefits. LTD benefits can be paid until age 65 or until

you are able to return to work after your disability as determined by Sedgwick, CMS. Medical documentation of your disability is required to continue your payment of benefits. You may learn more about the LTD plan offered by ASRS by visiting: [www.azasrs.gov](http://www.azasrs.gov) or calling 602.240.2000 or 1.800.621.3778, if outside of Phoenix. For hearing impaired, please contact TTY 602.240.5333.

**Public Safety Personnel Retirement System (PSPRS), Corrections Officer Retirement Plan (CORP), Elected Officials' Retirement Plan (EORP), Optional Retirement Plans of the Universities (TIAA-CREF, VALC, and Fidelity Investments):** Standard Insurance Company is administered through ADOA. The amount of the LTD Benefit will equal up to 66-2/3% of your base monthly predisability earnings to a maximum monthly benefit of \$10,000. Disability will be determined by The Standard based on supporting medical documentation.

Your benefits may be subject to an offset based on Social Security payments, retirement benefits and other disability Benefits.

LTD benefits can be paid until age 65 or until you are able to return to work after your disability as determined by The Standard. Medical documentation of your disability is required to continue your payment of benefits. You may learn more about the LTD plan offered by The Standard by visiting: [www.standard.com](http://www.standard.com) or calling 1.800.447.3146.

If you are facing a possible long-term disability, you should contact your agency benefit liaison or human resources office within 60 to 90 days from the date of your illness or injury for the information you need to apply for LTD benefits. This could include a waiver of insurance premiums (while collecting LTD, the LTD carrier may waive your life insurance premiums) or life insurance conversion (converting your supplemental policy from a group policy to an individual one). Although your life and/or disability insurance premiums may be waived, your medical, dental and vision insurance premiums are not waived. You are still responsible for payment of these premiums.

# FLEXIBLE SPENDING ACCOUNTS

You have the option to participate in the medical and/or dependent care (child care) flexible spending accounts (FSA) administered by ASI, our Flex Program Administrator. These accounts allow you to reduce your taxable wages and to save taxes. Here is how these work:

- You must enroll every year – your elections do not carry over to the new plan year.
- You specify the annual dollar amount of your earnings to be deposited to each account. This annual amount is deducted in 26 equal payments, one each pay period.
- The amount is deducted from your check before taxes are taken out, lowering your taxable income and possibly lowering your tax liability.
- Throughout the year, after you incur an eligible expense, you submit a claim form and copies of your invoices to ASI for reimbursement. To ensure that you will be reimbursed for a given expense, you are encouraged to verify the eligibility of the expense on the ASI website, [www.asiflex.com](http://www.asiflex.com), before incurring the expense.
- ASI reimburses you from the money you have set aside in your FSA. ASI processes claims for reimbursement on a daily basis.
- ASI offers direct deposit for your reimbursement and email notification of your reimbursement. Complete the application for direct deposit on the ASI website, [www.asiflex.com](http://www.asiflex.com).

Remember: dependent care is for child care and elder care. Dependent medical and/or other expenses should be submitted through enrollment in the medical spending account - not the dependent care account.

It is important to set aside only as much money in your FSA as you intend to use each plan year. Beginning in October 2007, the eligible time to utilize services for claims reimbursement for medical account only has been extended to 2½ months after the plan year ends. This means you have from October 1, 2007, through December 15, 2008, to utilize services for the plan year beginning on October 1, 2007. All claims for medical expenditures must be filed with ASI prior to the last day of January following the close of the reimbursement period, January 31, 2009, for the plan year beginning October 1, 2007.

Dependent care services must be utilized in the applicable plan year. (For example, child care services must be incurred (provided) between October 1, 2007, and September 30, 2008, for the plan year starting October 1, 2007). Claims for dependent care must be filed at ASI no later than midnight on the last day of December following the close of the plan year. (December 31, 2008, for the plan year beginning October 1, 2007).

Any monies not claimed by the employee within the specified time period allowed will be forfeited in accordance with the Internal Revenue Service Regulations.

**Upon Employment Termination**

Once your employment is terminated:

- You may continue to submit claims for expenses incurred through your termination date but not incurred after your termination date.
- You forfeit any remaining monies unless you elect to continue FSA contributions through COBRA until the end of the plan year.

If you elect to continue FSA through COBRA, your contributions will be post-tax and the amount will be calculated as follows:

An additional 2% per pay period for the remaining number of pay periods will be charged in addition to the original pay period amount for administration of FSA under COBRA.

In order to assist you in calculating expenses for medical and/or dependent care, a form has been provided to aid you at [www.benefitoptions.az.gov](http://www.benefitoptions.az.gov) under the flexible spending account link for employees.

# FLEXIBLE SPENDING ACCOUNTS (FSA) WORKSHEET

## Deciding How Much to Deposit

Calculate the amount you expect to pay during the plan year and calendar years for eligible, uninsured out-of-pocket medical and/or dependent care expenses. This calculated amount cannot exceed the established IRS calendar year or your employer's plan year limits (Medical limit = \$5,000; Dependent Care limit = \$5,000). Be conservative in your estimates, since any money remaining in your accounts cannot be returned to you.

### **Flexible Spending Life Events/Mid-Year Changes**

You cannot change your elections to your Medical or Dependent Care FSA after Open Enrollment unless you have a Qualified Life Event as defined by the IRS that causes you, your spouse or a dependent to gain or lose coverage. The requested change must correspond with the gain or loss of coverage and must be submitted in writing within 31 days of the change.

#### **If you have a Qualified Life Event:**

- You may increase the amount in either account or both: Medical FSA and/or Dependent Care FSA.
- Midyear reductions to the Medical FSA are not permitted.
- Midyear reductions to the Dependent Care FSA are permitted.

### **Tax Credit**

There are additional IRS rules that apply to your Dependent Care FSA contributions. You may be eligible to claim the dependent care tax credit on your Federal income tax return. You may want to consult a tax advisor to determine whether participating in the Dependent Care FSA or taking the dependent care tax credit gives you the greater advantage.

### **Using Your Flexible Spending Accounts**

You have several options for obtaining and filing a claim against your Flexible Spending Account. You may obtain a claim form in the following ways:

- You will be sent an initial packet containing claim forms. These may be copied.
- On the web - You may download a claim form at [www.asiflex.com](http://www.asiflex.com).
- On the phone - You may call ASI at 1.800.659.3035 and request a claim form.
- By mail - You may request a claim form by sending a written request to: P.O. Box 6044, Columbia, MO 65205.

You will need to fill out your claim form and attach copies of invoices for services you received. Fax your claim and documentation, toll-free, 1.866.381.9682 to ASI or mail the claim form to the address shown above and wait to receive your reimbursement by direct deposit or check. If you wish to start direct deposit of your reimbursements after the Open Enrollment period, you will need to do so through ASI. # COBRA CONTINUATION OF COVERAGE NOTICE

Federal law requires that most group health plans give employees and their families the opportunity to continue their group health coverage when there is a “qualifying event” that would result in a loss of coverage under an employer’s plan. Depending on the type of qualifying event, “qualified beneficiaries” can include the employee (or retired employee) covered under the group health plan and the covered employee’s spouse and dependent children enrolled in the group health plan. (Certain newborns, newly adopted children, and alternative recipients under Qualified Medical Child Support Orders QMCSOs may also be qualified beneficiaries. This is discussed in more detail in separate paragraphs below.)

COBRA coverage is the same coverage that the State of Arizona group health insurance plans (collectively, the “Plan”) give to other participants or beneficiaries under the Plan who are not receiving COBRA coverage. Each qualified beneficiary who elects COBRA coverage will have the same rights under the Plan as other participants or beneficiaries covered under the Plan, including open enrollment and HIPAA special enrollment rights.

COBRA (and the description of COBRA coverage contained in this notice) applies only to group health coverage offered by the State of Arizona (the “State”) under the Plan (i.e., medical, dental, vision and health care Flexible Spending Account {FSA}) and not to any other benefits offered by the State (such as life insurance, disability, or accidental death and dismemberment). The Plan provides no greater COBRA rights than what COBRA requires – nothing in this notice is intended to expand your rights beyond COBRA’s requirements.

## **How can you elect COBRA coverage?**

To elect COBRA coverage, you must complete the Election Form according to the directions on the Election Form and mail or deliver the completed form by the date specified on the Election Form to the ADOA Benefits Office as indicated on the Election Form. Each qualified beneficiary has a separate right to elect COBRA coverage. For example, the employee’s spouse may elect COBRA coverage even if the employee does not. COBRA coverage may be elected for only one, several, or for all dependent children who are qualified beneficiaries. A parent may elect COBRA coverage on behalf of any dependent children. The employee or the employee’s spouse can elect COBRA coverage on behalf of all of the qualified beneficiaries.

You may elect COBRA under the group health coverages (medical, dental, vision and health care FSA) in which you were covered under the Plan on the day before the qualifying event. Qualified beneficiaries who are entitled to elect COBRA may do so even if they have other group health plan coverage or are entitled to Medicare benefits on or before the date on which COBRA is elected. However, a qualified beneficiary’s COBRA coverage will terminate automatically if, after electing COBRA, he or she becomes entitled to Medicare benefits or becomes covered under another group health plan (but only after any applicable pre-existing condition exclusions of that other plan have been exhausted or satisfied).

### **Electing COBRA under the Health Care Flexible Spending Accounts (FSA)**

COBRA coverage under the health care FSA will be offered only to qualified beneficiaries losing coverage who have underspent accounts. A qualified beneficiary has an underspent account if the annual limit elected under the health care FSA by the covered employee, reduced by reimbursements of expenses incurred up to the time of the qualifying event, is equal to or more than the amount of premiums for health care FSA COBRA coverage that will be charged for the remainder of the plan year. COBRA coverage for the health care FSA, if elected, will consist of the health care FSA coverage in force at the time of the qualifying event (i.e., the elected annual limit reduced by expenses reimbursed up to the time of the qualifying event). The use-it-or-lose-it rule will continue to apply, so any unused amounts will be forfeited at the end of the Plan year, and COBRA coverage will terminate at the end of the Plan year. All qualified beneficiaries who were covered under the health care FSA will be covered together for health care FSA COBRA coverage. However, each qualified beneficiary has separate election rights, and each could alternatively elect separate COBRA coverage to cover that qualified beneficiary only, with a separate health care FSA annual coverage limit and a separate COBRA premium. If you are interested in this alternative, contact the ADOA Benefits Office (see “For More Information” section, page 46).

### **Special Considerations in deciding whether to elect COBRA**

In considering whether to elect COBRA coverage, you should take into account that a failure to elect COBRA will affect your future rights under federal law. First, you can lose the right to avoid having pre-existing condition exclusions applied to you by other group health plans if you have more than a 63-day gap in health coverage. Election of COBRA coverage may eliminate this gap. Second, you may lose the guaranteed right to purchase individual health insurance policies that do not impose such pre-existing condition exclusions if you do not get COBRA coverage for the maximum time available to you. Finally, you should take into account that you may have special enrollment rights under federal law. You may have the right to request special enrollment in another group health plan for which you are otherwise eligible (such as a plan sponsored by your spouse’s employer) within 30 days after your group health coverage under the Plan ends because of the qualifying event listed above. You will also have the same special enrollment right at the end of COBRA coverage if you get COBRA coverage for the maximum time available to you.

### **How long will COBRA coverage last?**

In the case of a loss of coverage due to end of employment or reduction in hours of employment, coverage generally may be continued only for up to a total of 18 months.

When the qualifying event is the end of employment or reduction of the employee’s hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA coverage for qualified beneficiaries (other than the employee) who lose coverage under the Plan as a result of the qualifying event can last up to 36 months from the date of Medicare entitlement. This COBRA coverage period is available only if the covered employee becomes entitled to Medicare within 18 months before the termination of

employment or reduction of hours.

In the case of a loss of coverage due to an employee's death, divorce or legal separation, or a dependent child ceasing to be a dependent under the terms of the Plan, COBRA coverage may be continued for up to a total of 36 months.

Regardless of the qualifying event, health care FSA COBRA coverage may only be continued to the end of the Plan year in which the qualifying event occurred and cannot be extended for any reason.

This notice shows the maximum period of COBRA coverage available to qualified beneficiaries.

COBRA coverage will automatically terminate before the end of the maximum period if:

- any required premium is not paid in full on time,
- a qualified beneficiary becomes covered after electing COBRA coverage under another group health plan (but only after any applicable preexisting condition exclusions of that other plan have been exhausted or satisfied),
- a qualified beneficiary becomes entitled to Medicare benefits (under Part A, Part B, or both) after electing COBRA coverage,
- the State ceases to provide any group health plan for its employees, or
- during a disability extension period (the disability extension is explained below), the disabled qualified beneficiary is determined by the Social Security Administration to be no longer disabled.

COBRA coverage may also be terminated for any reason (for example, the Plan would terminate coverage of a participant or beneficiary not receiving COBRA coverage as in a case of fraud). You must notify the applicable carrier(s) (see "For More Information" section, page 46) in writing within 30 days if, after electing COBRA, a qualified beneficiary becomes entitled to Medicare (Part A, Part B or both) or becomes covered under other group health plan coverage (but only after any preexisting condition exclusions of that other plan for a preexisting condition of the qualified beneficiary have been exhausted or satisfied). COBRA coverage will terminate (retroactively if applicable) as of the date of Medicare entitlement or as of the beginning date of the other group health coverage (after exhaustion or satisfaction of any applicable preexisting condition exclusion). The claims administrators, insurance carriers and/or HMOs may require repayment of all benefits paid after the termination date, regardless of whether or when you provide notice of Medicare entitlement or other group health plan coverage.

### **How can you extend the length of COBRA coverage?**

If you elect COBRA coverage, an extension of the maximum period of coverage may be available if a qualified beneficiary is or becomes disabled or a second qualifying event occurs. You must notify the applicable carriers in writing of a disability or a second qualifying event in order to extend the period of COBRA coverage. Failure to provide notice of a disability or second qualifying event will affect the right to extend the period of COBRA coverage. (The

period of COBRA care FSA cannot be extended beyond the end of the current Plan year under any circumstances.)

**Disability.** If any of the qualified beneficiaries is determined by the Social Security Administration to be disabled, the maximum COBRA coverage period that results from the covered employee's termination of employment or reduction of hours (generally 18 months as described above) may be extended up to a total of 29 months. The disability must have started at some time before the 61st day of COBRA coverage obtained due to the covered employee's termination of employment or reduction of hours with the State and must last until the end of the 18-month period of COBRA coverage. Each qualified beneficiary who has elected COBRA coverage will be entitled to the disability extension if one of them qualifies. The disability extension is available only if you notify the applicable carrier(s) (see "For More Information" section on page 46) in writing of the Social Security Administration's determination of disability within 60 days after the latest of:

- the date of the Social Security Administration's disability determination;
- the date of the covered employee's termination of employment or reduction of hours; and
- the date on which the qualified beneficiary loses (or would lose) coverage under the terms of the Plan as a result of the covered employee's termination or reduction of hours.

You must also provide this notice within the original 18 months of COBRA coverage obtained due to the covered employee's termination of employment or reduction of hours in order to be entitled to a disability extension. The notice must be provided in writing and must include the following information:

- the name(s) and address(es) of all qualified beneficiaries who are receiving COBRA due to the initial qualifying event;
- the name and address of the disabled qualified beneficiary;
- the date that the qualified beneficiary became disabled;
- the date that the Social Security Administration made its determination of disability;
- a statement as to whether or not the Social Security Administration has subsequently determined that the qualified beneficiary is no longer disabled; and
- the signature, name and contract information of the individual sending the notice.

Your notice must include a copy of the Social Security Administration's determination of disability. You must mail this notice within the required time periods to the ADOA Benefits Office (see "For More Information" section, page 46).

If the above procedures are not followed or if the notice is not provided within the 60-day notice period, there will be no disability extension of COBRA coverage.

If the qualified beneficiary is determined by the Social Security Administration to no longer be disabled, you must notify the applicable carrier(s) of that fact within 30 days after the Social Security Administration's determination. COBRA coverage will end no earlier than the first of

the month that begins more than 30 days after the Social Security Administration's determination. COBRA coverage will end no earlier than the first of the month that begins more than 30 days after the date of the final determination by the Social Security Administration that the qualified beneficiary is no longer disabled. The notice must be provided in the same manner as, and include the same information required for, a notice of disability as described above.

### **Second Qualifying Event.**

An extension of coverage will be available to spouses and dependent children who are receiving COBRA coverage if a second qualifying event occurs during the first 18 months (or, in the case of a disability extension, the first 29 months) of COBRA coverage following the covered employee's termination of employment or reduction of hours. The maximum amount of COBRA coverage available when a second qualifying event occurs is 36 months from the date COBRA coverage began. Such second qualifying events may include the death of a covered employee, divorce or legal separation from the covered employee, or a dependent child's ceasing to be eligible for coverage as a dependent under the Plan.

An extension due to a second qualifying event is available only if you notify the applicable carrier(s) (see "For More Information" section, page 46) in writing of the second qualifying event within 60 days after the date of the second qualifying event.

The notice must include the following information:

- Name(s) and address(es) of all qualified beneficiaries who are receiving COBRA due to the initial qualifying event;
- Nature of the second qualifying event;
- Date of the second qualifying event
- Signature, name and contact information of the individual sending the notice.

In addition, you must provide documentation supporting the occurrence of the second qualifying event, if the ADOA Benefits Office requests it. Acceptable documentation includes a copy of the divorce decree, death certificate, or dependent child(ren)'s birth certificates, driver's license, marriage license or letter from a university or institution indicating a change in student status.

You must mail this notice within the required time periods to the ADOA Benefits Office at the addresses indicated below (see "For More Information" section, page 46).

If the above procedures are not followed or if the notice is not provided within the 60-day notice period, there will be no extension of COBRA coverage due to a second qualifying event.

### **How much does COBRA coverage cost?**

Generally, each qualified beneficiary is required to pay the entire cost of COBRA coverage. The amount a qualified beneficiary may be required to pay may not exceed 102 percent (or, in the case of an extension of COBRA coverage due to a disability, 150 percent) of the cost to the group health plan (including both employer and employee contributions) for coverage of a

similarly situated plan participant or beneficiary who is not receiving COBRA coverage.

**When (and how) must the first payment for COBRA coverage be made?**

If you elect COBRA coverage, you do not have to send any payment with the Election Form. However, you must make your first payment for COBRA coverage no later than 45 days after the date of your election. (This is the date the Election Form is post-marked, if mailed, or the date your Election Form is received by the individual at the address specified for delivery on the Election Form, if hand delivered.) If you do not make your first payment for COBRA coverage in full within 45 days after the date of your election, you will lose all COBRA rights under the Plan.

Your first payment must cover the cost of COBRA coverage from the time your coverage under the Plan would have otherwise terminated up through the end of the month before the month in which you make your first payment. You are responsible for making sure that the amount of your first payment is correct. You may contact the ADOA Benefits Office to confirm the correct amount of your first payment.

**Monthly payments for COBRA coverage.**

After you make your first payment for COBRA coverage, you will be required to make monthly payments for each subsequent month of COBRA coverage. The amount due for each coverage period for each month for each qualified beneficiary is shown in this notice. Under the Plan, each of these monthly payments for COBRA coverage is due on the first day of the month for that month's COBRA coverage. If you make a monthly payment on or before the first day of the month to which it applies, your COBRA coverage under the Plan will continue for that month without any break. The Plan will send periodic notices of payments due for these coverage periods (that is, you will receive a bill for your COBRA coverage) – it is your responsibility to pay your COBRA premiums on time.

***ADOA and your vendor will not be able to confirm that you are entitled to covered services until the vendor has received your premium for the month in which the care is to be provided.***

**Grace periods for monthly payments.**

Although monthly payments are due on the first day of each month of COBRA coverage, you will be given a grace period of 30 days after the first day of the month to make each payment for that month. Your COBRA coverage will be provided for each month as long as payment for that month is made before the end of the grace period for that payment. However, if you pay a monthly payment later than the first day of the month to which it applies, but before the end of the grace period for the month, your coverage under the Plan will be suspended as of the first day of the month and then retroactively reinstated (going back to the first day of the month) when the monthly payment is received. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated.

All COBRA premiums must be paid by check or money order. Your first payment for COBRA coverage should be sent to the following:

Note: Although initial payment is mailed to ADOA, subsequent payments must be made payable to the applicable insurer for which you are electing coverage.

ADOA Benefits Office  
100 N. 15th Avenue, Ste. 103  
Phoenix, AZ 85007

Checks should be made payable to:

- UnitedHealthcare for any of the UHC plans
- Fiserv Health - Harrington Benefit Services for any of the following plans: Arizona Foundation, Beech Street, RAN+AMN, Schaller Anderson
- Dental premiums should be made payable to the dental carriers: Delta, MetLife, EDS or Assurant/Assurant
- Vision premiums should be made payable to Avesis
- Flexible Spending premiums should be made payable to ADOA/HITF

After the initial payment, your monthly payments will be sent to the individual administrator/carrier. You will receive an invoice each month that will include the applicable address.

If you fail to make a monthly payment before the end of the grace period for that month, you will lose all rights to COBRA coverage under the Plan.

If mailed, your payment is considered to have been made on the date that it is postmarked. If hand delivered, your payment is considered to have been made when it is received. Payments made after the grace period will not be accepted. You will not be considered to have made any payment if your check is returned due to insufficient funds or otherwise.

**More information about individuals who may be qualified beneficiaries Children born to or placed for adoption with the covered employee during COBRA coverage period.**

A child born to, adopted by, or placed for adoption with a covered employee during a period of COBRA coverage is considered to be a qualified beneficiary provided that, if the covered employee is a qualified beneficiary, the covered employee has elected COBRA coverage for himself or herself and enrolls the child within 30 days of the birth, adoption or placement for adoption. To be enrolled in the Plan, the child must satisfy the otherwise applicable eligibility requirements (for example, regarding age).

**Alternative recipients under QMCSOs.** A child of the covered employee who is receiving benefits under the Plan pursuant to a Qualified Medical Child Support Order (QMCSO) received by the State during the covered employee's period of employment with the State is entitled to the same rights to elect COBRA as any other eligible dependent child of the covered employee.

The facility is located at 1937 W. Jefferson Street, Phoenix, Arizona. The cost for enrollment varies by the age of the child. For more information or for a tour of the facility, contact the Child Care Development Center's Director at 602.542.1937.

## **457 Deferred Compensation Plan**

Nationwide Retirement Solutions, formerly PEBSCO, provides public employees their 457 deferred compensation plan. The Plan allows state employees to invest pre-tax dollars into a supplemental retirement account. The state oversees the administration of the Plan while NRS provides enrollment, plan administration and retirement education.

Maximum Deferral: \$14,000.00, or 100% of Includible Compensation, for 2007-2008 unless

eligible for catch-up provisions, in which case you might be able to defer more.

**Minimum Deferral:** \$10.00 per pay period, \$20.00 per month. The amount you choose to contribute to your program will depend on your specific situation. There is no “one-size-fits-all” solution. Your strategy will likely involve contributing as much as you can on a regular basis. The strategy you choose will depend on many variables, including the amounts you might receive from your pension and Social Security, what your investments earn between now and the time you retire, and what kind of standard of living you want at retirement. Regardless of how much you can afford to contribute, there are benefits to joining the deferred compensation program sooner rather than later.

So, if you are ready to start building for retirement and postponing federal and state taxes at the same time, today is the day to start turning a portion of your paycheck into an investment for your future.

Please contact a local representative at 602.266.2733 (or toll free at 1.800.796.9753) to schedule a consultation or for a list of scheduled educational seminars. You may also visit the local office at 4747 N. 7th Street, Suite 418, Phoenix, Arizona (office hours: 8 a.m. to 5 p.m.).

## Annual Leave

Eligible employees accrue annual leave in accordance with the following schedule:

Credited Service	Hours Accrued Biweekly	=	Hours Accrued per Month	=	Days Accrued per Year
Less than 3 years	3.7		8		12
3 years but less than 7 years	4.62		10		15
7 years but less than 15 years	5.54		12		18
15 years or more	6.47		14		21

Eligible part-time employees accrue a proportional amount of annual leave. Accumulation during a calendar year is unlimited; however, annual leave accumulated in excess of 240 hours at the end of a calendar year is subject to forfeiture, unless the ADOA Director authorizes an exception in an individual case.

## Sick Leave

Eligible employees accrue sick leave at the rate of eight hours per month. Eligible part-time employees accrue a proportional amount of sick leave, proportionate to the number of hours worked according to an established schedule. Accumulation is unlimited.

Employees who retire with 500 or more unused sick leave hours may file for accumulated sick leave benefits through their personnel office.

## Miscellaneous Paid Leave

Personnel Rules cover the request for and use of the following leaves:

- Civic Duty Leave
- Military Leave
- Educational Leave
- Bereavement Leave

Be sure to follow the personnel rules and your agency's guidelines if the need should arise for these leave categories.

## Parental Leave

Parental Leave is any combination of annual leave, sick leave, compensatory leave, or leave without pay (LWOP) taken by an employee due to pregnancy, childbirth, miscarriage, abortion or adoption of children.

## Leave Without Pay (LWOP)

LWOP is defined as a leave which has been approved in advance, in writing, for a period of time when there will be no paycheck from the employer. The State's Personnel Rules explain the procedures and conditions for LWOP including authorization, use, documentation, return to work, and benefits. If in the future you are on LWOP, be sure you and your Benefits Liaison

fully discuss your benefit options, costs, and the effect your benefit decisions will have on your benefits upon your return to work. When your LWOP begins, you can make changes to your coverage, such as switching from family to single coverage, lowering the amount of supplemental life or declining some or all coverage.

Generally, an employee who is on LWOP must pay both the employee and employer portion to maintain medical and dental health care coverage and basic life insurance. Vision, supplemental life insurance and disability coverage have only employee paid premiums. The only exceptions are approved LWOP due to industrial disability or leave covered by the Family and Medical Leave Act (FMLA). Employees on Industrial or FMLA may continue benefits by paying just the employee portion for periods of time established by applicable laws and rules. After those time limits are reached, if the employee is still on leave, the employee must pay both the employer and employee portions of premiums to continue coverage.

If the employee on LWOP allows premium payment to become delinquent, coverage terminates. If the employee's coverage was cancelled for non-payment, the employee cannot re-enroll until the next open enrollment after the employee returns to work. If the employee's coverage was not cancelled for non-payment of premium, the employee can restore the coverage changed at the start of the leave, upon his or her return to active employment.

An employee who must go on LWOP has many decisions to make and should fully discuss them with his or her Benefits Liaison. Employees returning from LWOP should check their payroll deductions for any discrepancies with the coverage choices made.

### **Agency-Specific Benefits**

Your agency may provide other benefits, such as an agency newsletter, Employee Assistance programs, award programs and/or recognition leave. For information regarding your agency, ask your agency Human Resources/Personnel office.

### **When You Leave State Service**

#### *Termination*

If you should terminate employment with the State of Arizona, most likely you will have insurance continuation rights, for certain coverage, under the Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985. The former employee who elects this continuation of coverage pays 102% of the full monthly premium (employee cost + employer cost + 2% administrative fee).

#### *Retirement*

When you retire from State service, you have the option of continuing medical, dental and/or vision coverage through the ADOA Benefit Options Program or electing coverage through the program sponsored by your retirement system. Retirees pay the entire monthly premium; however, if you qualify, your retirement system may subsidize your monthly medical and/or dental premium in an amount related to your length of service. Many retirees who have

Medicare A and B can choose a Medicare Contract HMO, and the State subsidy may cover the entire medical and dental plan premium. Retirees may also elect COBRA coverage.

Retirees who choose COBRA coverage or retirement system coverage may not later return to the plan sponsored by ADOA. However, those retirees who elect COBRA coverage may elect coverage through their retirement system when their COBRA coverage terminates.
